SUBJECT

Project 63

This is in reference to outgoing airgram in reply to Frankfort's telegram no. 10457 of June 23 re Project 63. With reference to the conversation of July 17 between Mr. Ropshaw and J. B. Koepfli, the Science Adviser would like to point out for the record that he has given clearance to subject airgram in order to facilitate a reply to Frankfort's 10457 of June 23. This clearance by the Science Adviser does not imply approval of Project 63, since the Science Adviser is without sufficient background information on Project 63 or detailed information as to its operation to enable him at this time to form an intelligent opinion.
